

Historic Shepherdstown & Museum: Annual Membership Meeting

September 2, 2015

Treasurer's Report

I'm happy to be able to report that Historic Shepherdstown is solvent, and that we have just had a clean independent audit, so we are in good financial shape. Over the last three years, we have been working very hard to accumulate funds for much-needed maintenance and repairs to the Entler building, and this year, we are spending quite a lot of it on that, and on making improvements based on our recent energy audit.

If you are interested, there are copies of the financial statements floating around the room, and you can also view them on our website at http://historicshepherdstown.com/annual_meeting/.
